## Save money without sacrificing quality with Katun's new universal OPC drum!

*Note: Products shown represent Katun products in this category.*

Katun® is pleased to introduce this Katun Performance™ universal drum for a wide range of Sharp monochrome applications. This single drum offers OEM-equivalent performance at a significantly lower cost than either of the two OEM drums – providing Sharp dealers with an outstanding profit opportunity for this large machine base.

### Benefits:

#### ◆ Reduced Cost Per Copy

Use of this Katun Performance™ universal drum will reduce your cost-per-copy expenses when compared to the OEM products, improving overall profitability without compromising quality, drum life, or customer satisfaction. Sharp dealers installing this Katun Performance™ universal drum will gain a competitive cost advantage over dealers installing the more expensive OEM drums.

#### ◆ Commitment to Quality

Katun's reputation is not only built upon providing high-quality/high-value products, but also on a commitment that our time-tested quality control processes will never be compromised. This Katun Performance™ universal drum provides consistent performance, print quality and drum life to dealers that demand OEM-equivalent performance.
