Katun Performance™ Monochrome Toner for use in

Lexmark MX710/810-series

Printers

Katun PN: See Page 2 • OEM PN: See Page 2

This Katun monochrome toner provides excellent print quality and OEM-equivalent yields in these Lexmark applications!

You'll receive excellent print quality and reliable performance from this just introduced remanufactured toner cartridge. This product adds to our comprehensive line of high-quality Katun toners for use in Lexmark printers and MFPs. Best of all, you'll save money vs. purchasing the OEM cartridges for these machines, both now and in the future.

Benefits:

◆ **Big Cost Savings!**
This toner offers OEM-equivalent print quality and reliable performance, but at a significant cost savings, which means you can improve your profitability without sacrificing quality. These printers are still actively being sold by Lexmark, so this Katun monochrome toner provides dealers significant, immediate profit opportunities.

◆ **Excellent Quality and Performance**
You can trust Katun – this new monochrome toner has been developed and rigorously tested to ensure complete compatibility with the OEM toner and to provide outstanding:

- • Image quality & density
- • Yields
- • Fusing performance

◆ **Your Customers Can Make a Seamless Transition to Katun Toner**
This remanufactured toner cartridge fits, installs, and performs similar to the OEM product for this machine series, which makes the transition from OEM toner to Katun toner seamless for your customers. Katun Performance™ toner cartridges are developed and manufactured according Katun's strict quality guidelines to ensure consistent quality and performance.

◆ **A Growing Line You Can Count On**
Katun offers a comprehensive line of toner cartridges for use in today's most popular Lexmark monochrome and color multifunctional equipment, enabling you to meet the printing supplies needs of end-user customers.

KATUN®

Machine Overview

Introduced in 2012, this series of 55-70 ppm MFPs are ideal for large workgroups or departments that generate relatively high volumes of monochrome output.

Model	Intro	Speed (PPM)	Mfg Status	Functions
MX710	Q4-2012	60	Current	Scan, Print, Copy
