This Katun monochrome toner provides OEM-equivalent yields and outstanding print quality!

Katun introduces a new printer toner to our comprehensive line of high-quality Katun Performance™ toners for use in Samsung printers and MFPs. This monochrome toner provides outstanding performance, excellent print quality and significant cost savings. This monochrome toner provides dealers with both immediate and long-term profit opportunities, as this printer is still being actively sold.

Benefits:

◆ **Choose Katun Toner for Consistent Quality and Performance**
You can trust Katun – this monochrome toner has been developed and rigorously tested to ensure complete compatibility with the OEM toner and to provide outstanding:

- Image quality & density
- Yields
- Fusing performance

◆ **A Seamless Transition**
This remanufactured toner cartridge fits, installs, and performs similar to the OEM products, which helps make the transition from OEM toner to Katun toner seamless for your customers. This Katun Performance™ toner cartridge was developed and manufactured according Katun's strict quality guidelines to ensure consistent quality and performance.

◆ **Reduce Your Supplies Costs**
This toner offers OEM-equivalent performance at a significant cost savings, which means you can improve your profitability without sacrificing quality or customer satisfaction. Additionally, as these printers are still actively being sold by Samsung, this toner provides dealers with immediate and long-term profit opportunities.

◆ **A Growing Line You Can Count On**
Katun offers a very broad line of toner cartridges for use in the most popular Samsung monochrome and color devices, enabling you to meet the printing supplies needs of all your customers – whether large or small.
