

# Katun Performance™ Monochrome Toners for use in

## Various Samsung ML-series

### Printers & MFPs

Katun PN: See Page 2 • OEM PN: See Page 2

### These Katun monochrome toners provide great value and outstanding print quality in Samsung ML-series printers!

Katun introduces four new monochrome printer toners to our comprehensive line of high-quality monochrome and color toners for use in Samsung printers and MFPs. These new Katun Performance™ toners provide outstanding performance, remarkable print quality, long-term cost savings and unsurpassed value.

#### Benefits:

##### ◆ Consistent Quality, Performance and Value

You can trust Katun – these new monochrome toners have been developed and rigorously tested to ensure complete compatibility with the OEM toner and to provide outstanding:

- Image quality & density
- Yields
- Fusing performance
- Value

##### ◆ Increase Profits by Reducing Your Supplies Costs

These toners offer outstanding performance at significant cost savings, which means you can improve your profitability without sacrificing quality or customer satisfaction. Additionally as many of these printers are still actively being sold by Samsung, these new Katun mono toners provides dealer with immediate and long-term profit opportunities.

##### ◆ Complete Compatibility and a Smooth Transition from OEM to Katun

These remanufactured toner cartridges fit, install, and perform similar to the OEM products, which helps make the transition from OEM toner to Katun Performance™ toner seamless for your customers. These products are developed and manufactured according Katun's strict quality guidelines to ensure consistent quality and performance.

##### ◆ Comprehensive Selection

Katun offers a comprehensive line of toner cartridges for use in the most popular Samsung monochrome and color printers and multifunctional equipment. In addition, Katun provides hundreds of printer cartridges across all the major OEM lines.
