Katun® Performance™ Monochrome Toner for use in

HP LJ Pro P 1566/1606DN

Printers

Katun PN: 38794 • OEM PN: CE278A

Increase your profits and experience high-quality prints, with this monochrome toner introduced by Katun!

The addition of this Katun® Performance™ toner cartridge for use in HP LJ Pro P 1566/1606-series machines, expands Katun's extensive product offering for use in HP monochrome printers. This remanufactured toner cartridge provides outstanding performance and excellent print quality, print after print, ensuring customer satisfaction. This product provides an excellent value to small office customers – immediate cost savings, without sacrificing quality.

Benefits:

◆ **Proven Performance**

These machines represent one of the most successful Ricoh Aficio color series introduced to date; they are widely placed and at the peak of their life cycles. These Katun® Performance™ color toners are priced very competitively against the OEM toners for these machines, and provide you with substantial cost-saving and profit opportunities now and in the future.

◆ **Reduce your Expenses and Maintain High Quality**

All organizations, especially small businesses, are looking for ways to save on cost. This new Katun® Performance™ toner offers significant cost savings versus OEM supplies, without sacrificing quality, performance or customer satisfaction.

◆ **High-Quality Remanufacturing**

This remanufactured toner cartridge fits, installs, and performs similar to the OEM product, which helps make the transition from OEM toner to Katun® Performance™ seamless for your customers. Each cartridge is developed and manufactured according to ASTM, STMC, and ISO quality guidelines to ensure OEM equivalent performance.

◆ **Choose from a Wide Selection of Monochrome and Color Toners for Use In HP Printers**

Katun now offers a wide selection of remanufactured toner cartridges for use in today's most popular HP monochrome and color printers. When you want industry-leading quality and performance from a remanufactured toner cartridge, choose Katun® Performance™!

KATUN®

Machine Overview

In April of 2010, HP introduced the HP LJ Pro P 1566/1606-series printer, geared towards small businesses. It has built in Ethernet networking that makes it easy to share among the office. The machine has a 250 page paper tray and 10-sheet priority slot that allows for print on various media. It also has automatic two-sided printing, to help save on paper usage.

Model	Speed (ppm)	Intro Date	Mfg Status	Markets	Est. Retail Price	Max Monthly Volume	Functions
