

Katun® Performance™ Toner for use in

## HP LJ Pro P 1102-series

### Printers & MFPs

Katun PN: 39113 • OEM PN: CE285A

**Experience high-quality prints  
and significant cost savings with  
this Katun® Performance™  
monochrome toner!**

This Katun® Performance™ remanufactured toner cartridge for use in HP LJ Pro P 1102-series, provides outstanding performance and excellent print quality, print after print, ensuring customer satisfaction. This product provides an excellent value to small office customers – immediate cost savings, without sacrificing quality. This toner is in the same product family as the previously introduced cartridge for use in HP LJ Pro P 1566/1606-series machines.

#### **Benefits:**

◆ **Proven Performance**

This Katun® Performance™ remanufactured toner cartridge has been developed and rigorously tested to provide outstanding image quality, image density, page yields and fusing to ensure compatibility with the OEM. Katun's testing and evaluation protocols ensure industry-leading performance – giving you a reliable and profitable alternative to the OEM toner.

◆ **Reduce Your Expenses and Maintain High Quality**

All organizations, especially small businesses, are looking for ways to save money. This Katun® Performance™ toner offers significant cost savings versus OEM supplies, without sacrificing quality, performance or customer satisfaction.

◆ **High-Quality Remanufacturing**

This remanufactured toner cartridge fits, installs, and performs similar to the OEM product, which helps make the transition from OEM toner to Katun® Performance™ seamless for your customers. All remanufactured Katun® Performance™ toner cartridges are developed and remanufactured according Katun's strict quality guidelines to ensure consistent quality and performance.

◆ **Choose from a Wide Selection of Monochrome and Color Toners for Use In HP Printers**

Katun now offers a wide selection of remanufactured toner cartridges for use in today's most popular HP monochrome and color printers. When you want industry-leading quality and performance from a remanufactured toner cartridge, choose Katun® Performance™!

## Machine Overview

In April of 2010, HP introduced the HP LJ Pro P 1102-series printer, geared towards small businesses. The HP 1102 and 1212/1217 MFP models have a 150-sheet tray and do not have the duplexing feature. All models have a 10-sheet priority slot that allows for print on various media. Please see the table below for further information on these models.

Model	Speed ( PPM)	Mfg Status	Markets	Est Retail Price	Functions
HP LJ Pro P 1102	19 (Letter) 18 (A4)	Current	Worldwide	\$149	Print
HP LJ Pro M 1212 MFP	19 (Letter) 18 (A4)	Current	Worldwide	\$199	Print, Copy, Fax, Scan
HP LJ Pro M 1217 MFP	19 (Letter)	Current	Worldwide	\$249	Print, Copy, Fax, Scan
