Katun® Performance™ Monochrome Toners for use in

Samsung SCX-5635/5835-series

Printers & MFPs
Katun & OEM PNs: see table on page 2

Increase your profits and receive excellent print quality with this Katun® Performance™ monochrome toner

Note: Products shown represent Katun products in this category.

The addition of this Katun® Performance™ toner cartridge for use in Samsung SCX-5635 and 5835 applications expands Katun's growing product offering for use in Samsung monochrome printers. This remanufactured toner cartridge provides outstanding performance and excellent print quality, print after print, ensuring customer satisfaction. This product provides an excellent value: immediate cost savings without sacrificing quality.

Benefits:

◆ **Performance you can trust**
This Katun® Performance™ remanufactured toner cartridge has been developed and rigorously tested to provide outstanding image quality, image density, page yields and fusing to ensure compatibility with the OEM toner. Katun's testing and evaluation protocols ensure industry-leading performance – giving you a reliable and profitable alternative to high-cost OEM toner.

◆ **Quality remanufacturing process**
This remanufactured toner cartridge fits, installs, and performs similar to the OEM product, which helps make the transition from OEM toner to Katun® Performance™ seamless for your customers. Each cartridge is developed and manufactured according to strict Katun quality guidelines to ensure OEM-equivalent performance.

◆ **Enhanced profitability**
While the SCX-5635 was recently discontinued by Samsung, the SCX-5835 series is still active in Samsung's monochrome printer portfolio. This Katun® Performance™ toner provides dealers immediate and long-term profit improvement opportunities.

◆ **Expanding line of toners for use in Samsung applications**
Katun is continuing to expand its line of competitively priced toners (monochrome and color) for use in many of the most popular Samsung printers and MFPs. Katun has the high-quality toner you require at an affordable price.

KATUN®

Machine Overview

In early 2009, Samsung introduced SCX-5635/5835-series printers geared towards the small office or workgroups that required fast network-ready monochrome printers. These machines offered reliable performance while also providing good print quality, reasonably quick output speeds and the lowest cost-per-page price when compared to printers offered by other OEMs at the time.

Model Series	Speed (PPM)	Intro Date	Mfg Status
SCX 5635	35	Q1-2009	Discontinued
SCX 5835	35	Q1-2009	Current

Product Characteristics

Market	Yield*	OEM Part Number	Katun
North America Latin America CEE/AME	10,000	MLT-D208L	39356
Western Europe	10,000	MLT-D2082L	39357

Actual yield may vary depending on machine application, as well as machine, environmental and usage conditions.
